

May 20, 2023

Greetings All TCT Players,

I am sorry to have to tell you, but our 2023 Season has been canceled. I know this isn't the news everyone wants to hear but I assure you we have done everything we could to have a 2023 Fall Season. We have known this might happen for several years. We struggled for courts when Shadow Mountain closed. Since then we have worked closely with all Tulsa tennis officials and club owners in regards to scheduling and court availability. Unfortunately there are just not enough courts this year to support all the wonderful tennis that is happening.

TCT has had an amazing 30 year run! We started with small groups playing on public courts and we morphed into what we are now. Last Fall we had over 800 courts at Lafortune alone. Because of our wonderful players we have been able to donate thousands to Tulsa Tennis Organizations. Of course everyone has a fun banquet story to tell, and new friendships found. Because of you we have helped to grow our Tulsa Tennis Community to what it is today.

I cannot leave out our wonderful volunteer board members. Because of their hard work past and present all this would have not been possible.

This is so hard for me to write and I know it is hard for all of you who have loved TCT throughout the years. I appreciate you all.

Play tennis, have fun and enjoy life,

Marleta Giles
President TCT
